[Sign up](#)

[I'm a parent](#)

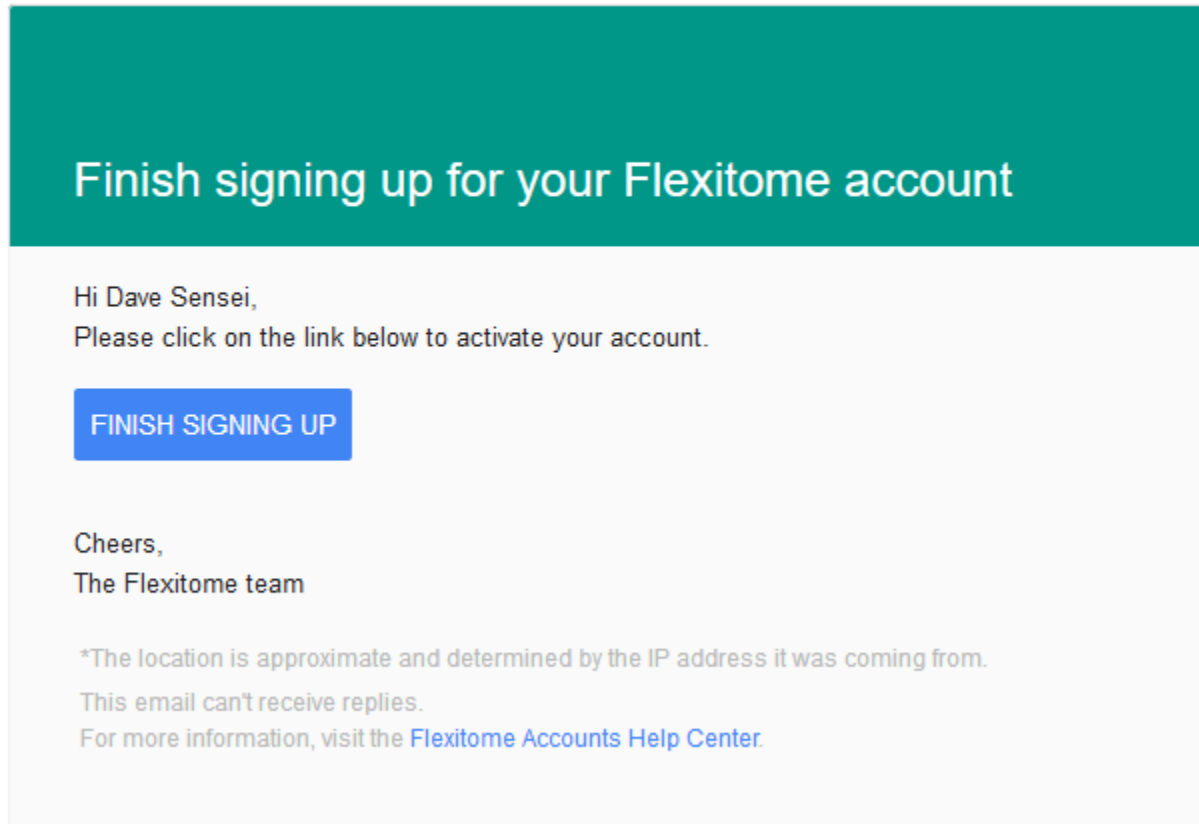

By continuing, you're confirming that you've read our [Terms & Conditions](#) and [Cookie Policy](#)

You need a valid email address as a confirmation email will be sent to you. You will need to click that to validate your account.

Date of Birth is requested because some of our users are students and we need to verify their age, for certain materials which may be restricted to a more mature audience (typically over 13).

A dialogue box will appear saying that an email has been sent to you. You can close that box.

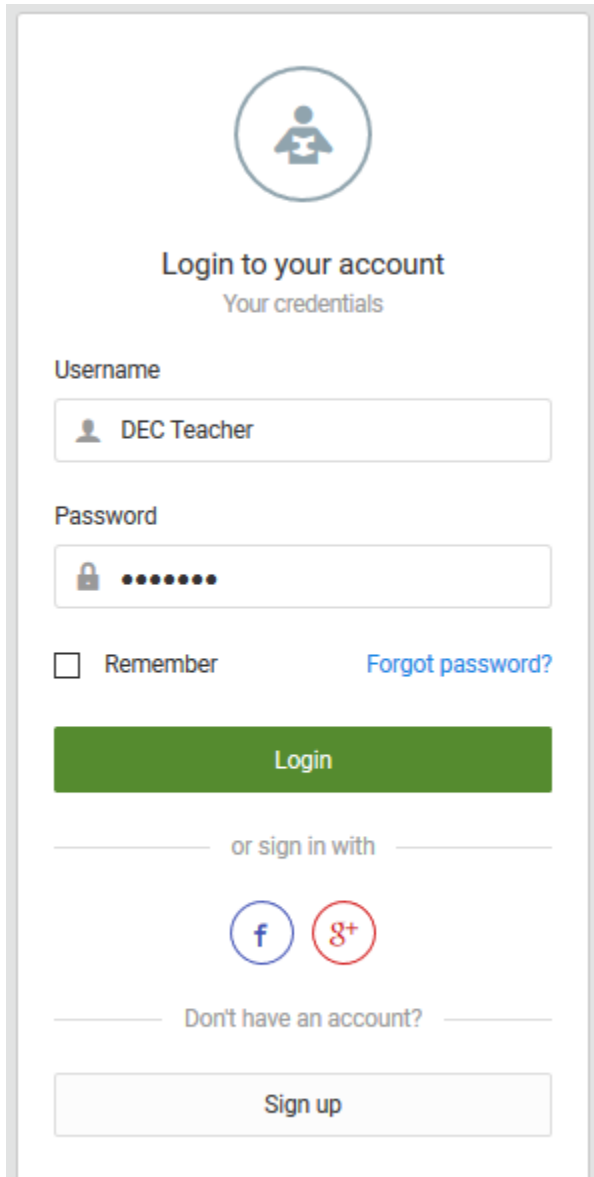

Check your email and you should have a message which looks like this:

Click **FINISH SIGNING UP** to verify your account.

When you click that link in the email, you will get a dialogue box saying **Congratulations**, and it may redirect automatically to the Login screen.

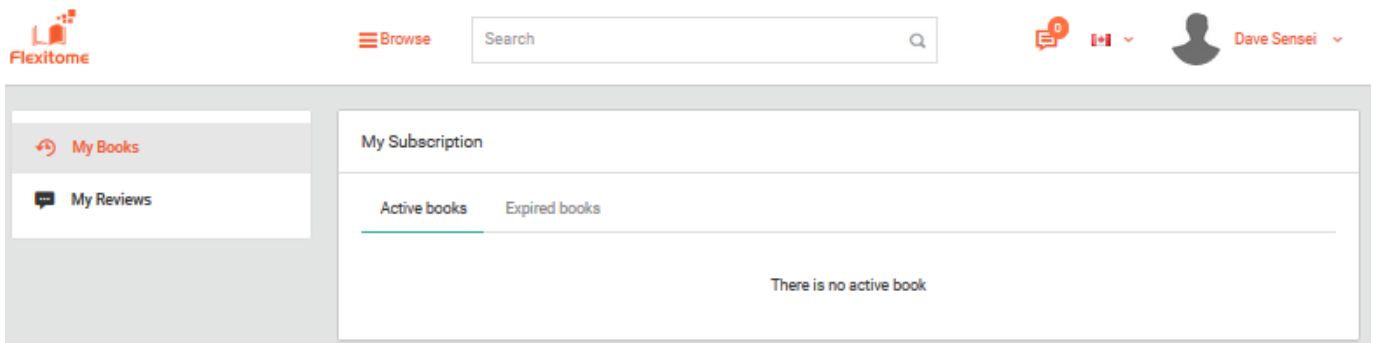

Enter the information you registered with, and click **Login**.

The login form is titled "Login to your account" with the subtitle "Your credentials". It features a user icon at the top. The form includes a "Username" field with the text "DEC Teacher", a "Password" field with masked characters, a "Remember" checkbox, and a "Forgot password?" link. A green "Login" button is positioned below the password field. Below the login button, there is a section for social login with "or sign in with" text and icons for Facebook and Google+. A "Don't have an account?" link is located below the social login icons, and a "Sign up" button is at the bottom of the form.

You will be directed to a page which looks like this, below. All of your purchased books will be shown here. This is an example of an empty account.

Any books purchased on this account will populate this page.

The user dashboard features a top navigation bar with the Flexitome logo, a "Browse" menu, a search bar, a notification icon with a "0" badge, a language dropdown set to "EN", and a user profile for "Dave Sensei". The main content area is divided into two sections: a left sidebar with "My Books" and "My Reviews" links, and a main panel titled "My Subscription". The "My Subscription" panel has tabs for "Active books" and "Expired books". The "Active books" tab is selected, and the content area below it displays the message "There is no active book".
